

RMA – Return Merchandise Authorization

- Customer-specific software and settings are generally not taken into account.
- Devices must be shipped in the original packing, or other packing providing the same degree of protection, in order to prevent damage caused by/during shipment.
- Please note: Lithium batteries are subject to special transportation regulations according to "Regulation of Dangerous Goods, for example: UN3480/3481. Use proper labeling for shipping.
- Critical batteries are not allowed for shipping.

		<input type="checkbox"/>	Preparation of a cost estimate
		<input type="checkbox"/>	Repair of the device up to the limit of (KVA) (if more expensive, prepare cost estimate)
<p>We charge an inspection fee for the preparation of a cost estimate. This inspection fee applies even if no defects are detected. The inspection fee is waived when we receive a repair order. The inspection fee varies as follows:</p> <p>Printer / Scanner: 65,00 €</p> <p>MDE-Devices: 100,00 €</p> <p>Vehicle Terminals: 150,00 €</p> <p>Laubner® Care Repair Service: Implementation of the RMA process for an existing manufacturer service contract. Flat rate: 49,- € per device from the third device 35,- € per device.</p>			

Attention:

Ensure that all data are backed up before shipping the respective device. Data may be lost during the repair process. We do not assume any liability for any loss of data. All configurations are reset to the state as delivered within the scope of the generic inspection of outgoing goods. Feel free to contact our service team if you require any further assistance relating to this topic.
