

Newcastle NUCR Multi-Bay Charging Rack For PowerSwap Nucleus® Classic Charging Stations

Newcastle NUCR Multi-Bay Charging Rack
laubner.com/mobile-arbeitsplaetze

Keep your batteries topped off and tidy with a specially-made charging rack

Introducing a new space-efficient and convenient way to corral and charge your fleet of Nucleus® batteries anywhere in your facility.

Our customers have spoken, and as a result, the solidly-built NUCR Multi-Bay Charging Rack was created. It was custom designed specifically for holding up to six PowerSwap Nucleus® Classic Dual-Bay Charging Stations.

Outstanding benefits

- › Eliminate the need to plug multiple cords into wall/floor outlets
- › Clean, integrated cable management throughout rack
- › Compact footprint saves valuable floor space
- › Mobility caster kit enables rack to be easily moved to ideal charging location

Additional product features:

- › Semi-adjustable shelves
- › Integrated cord reel holder
- › Custom mounting holes to securely hold Classic charge stations in place
- › 6 power outlets
